

Semi-Annual PE Exam Review Course – Fall 2015

Dates: Saturdays, starting September 19th through October 24th. The course includes four instructional days covering breadth exam topics and one half day timed practice session. Instructional sessions will be held from 9:00 AM to 4:00 PM, with a one hour lunch break from 12:00 to 1:00 PM.

Location: The University of Texas at Austin, Civil Engineering Building, ECJ (information with registration)

Cost: \$400 Registration Fee for ASCE National Members
\$450 Registration Fee for Non-ASCE National Members

Registration Deadline Monday, September 7, 2015. A \$50 late fee will be assessed if payment is received after the deadline. Class size is limited and enrollment will occur on a first-come first-served basis. Please call first if registering late to verify if space is available. **Reimbursement is available to those individuals who are not cleared by the Board to sit for the exam.**

This PE Exam Review Course will cover the “breadth” (AM) half of the civil engineering PE examination. The topics to be covered are: Construction and Materials, Geotechnical Engineering, Structures, Retaining Walls, Transportation, Hydrology, and Hydraulics and Environmental. These topics have been re-worked based on past feedback to focus the material on what is needed to pass. You may take the course as many times as you need to pass.

Join Austin ASCE Younger Members PE review course and take advantage of:

- **Access to discounted reference material***
- **Networking with local students**
- **Locally accessible and experienced instructors**
- **Convenient location in Austin**
- **Expert instruction at an affordable cost**

Class participants will receive course materials for each session. Students should also purchase <http://ppi2pass.com/civil-engineering-reference-manual-for-the-pe-exam-cerm14p.html>. (CERM) for the PE Exam, 14th edition, by Michael R. Lindeburg. *Please note YMF will provide class participants with a 15% discount for use on [PPI](#) reference material (PPI publishes the CERM).

To sign up for the Austin Branch PE Exam Review Course, please complete and mail the attached registration form with payment to Austin ASCE YMF (check or money order).
